White Light Tarot **Jessica Fisher Willson**

\$25

White Light Tarot, www.whitelighttarot.com

This new deck incorporates reiki energy with tarot symbolism and chakra colors to provide a deep, meaningful reading. Each of the 78 cards has a key word at the top surrounded by the corresponding chakra color so readers know exactly where to focus their attention to realign their energy and bring about positive change. *White Light Tarot* includes two reference cards explaining the chakras and the fundamentals of tarot, and a layout card to get the reader started.
